This calendar has been carefully planned in conjunction with corporate calendars and is independent of the public school calendar in order to allow for many more days of care and learning. It is suggested that families plan ahead and take their vacation to coincide with our end of the year closing as our policy does not allow for any tuition allowance for persons who are away during periods we are open.

PLEASE NOTE: On days when special parent/child activities are planned (such as the Thanksgiving Feast, etc.) they will begin at 5:30pm, (45 minutes prior to our usual 6:15pm closing time.) Those choosing not to participate, will need to pick their children up at or before 5:15pm, (1 hour prior to our usual 6:15pm closing time.) Also, remember that on pre-holiday early closings days, we do remain open for full 8¹/₄ hour days. During the 8 weeks of "summer camp," The Center will close promptly at 5:45pm each Friday. Please note, on Early Holiday Closing and Fridays in the summer, closing time will be strictly enforced and double late fees will apply per your tuition agreement.

IMPORTANT: One day during the year (generally in March) The Center will close promptly at 5:30 sharp so that all staff may attend the workshops presented by the New Jersey Association for the Education of Young Children.

Thank You for your cooperation and support in regard to the dates and times noted above!
