Activities are subject to change.					

Water Play will be held every day (weather permitting). Children should come to school wearing age-appropriate bathing suits underneath their clothes along with closed toe water shoes and towel. **Polar Pals will bring their swimsuits with them and change into them in the afternoon.** Also remember to apply sunscreen in the morning. The teachers will help children change into their regular clothes after water play and will reapply sunscreen prior to afternoon outdoor play (or during water play if needed) as long as you provide written authorization and a bottle of labeled sunscreen.
